

*In mid-December the following letter was received by Pastor Katherine:*

"Dear Reverend Mitchell,

**The monthly donations of fruit by you and your congregation are greatly appreciated.** Fruit is a luxury for our patrons, and every one of them seems very happy to receive whatever they are offered. Needless to say, my budget doesn't allow for such a treat; so your congregation is supplying us with a much-appreciated item.

Many thanks for your generosity and to **Arline Tripp** who delivers the fruit. Arline has been with our organization for 17+ years and is a highly-valued member. She, along with **Cukie and Alice Macomber**, also brings us day-old pastry from **Lee's**, another of our benefactors.

Your continued support and the compassion you have shown us this past year is appreciated greatly. A Blessed Christmas to all, and our wish that the coming year brings great peace, hope and joy to you and your loved ones.

Sincerely  
*Agatha Goodson"*
